

plastic film recycling challenge/info sheet

SCHOOL PROGRAM

How does the challenge work?

- Schools compete against other schools in their category to collect the most plastic film
- A school volunteer weighs and keeps record of the amount of film recycled each month
(On average a 30-gallon trash bag will hold about 650 plastic bags and weigh 6 lbs.)
- A school volunteer takes the collected plastic to a participating retailer (see list) for recycling
Stores prefer smaller and more frequent amounts in the provided bin. Please contact store ahead of time with larger amounts.
- Report collection amounts monthly to: my.trex.com

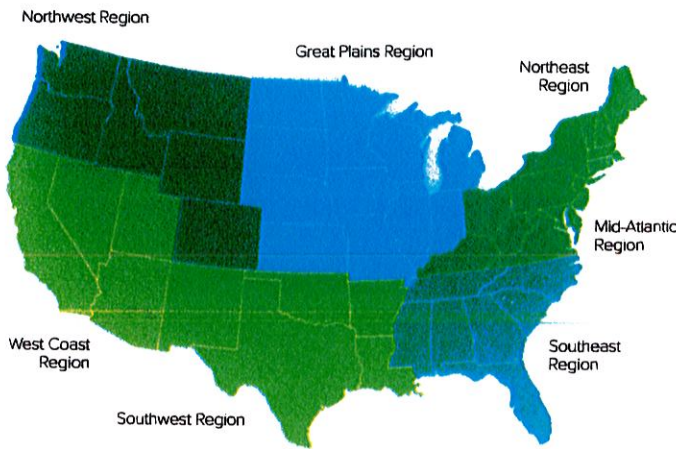

What does Trex provide?

- Three recycling bins
- One poster
- Magnets for each student

Elementary schools compete by state & student enrollment

Enrollment categories:

- 0-350
- 351-500
- 501-600
- 601-800
- 801-1100
- >1101

Middle & high schools compete nationally (no regions)

Enrollment categories:

- 0-500
- 501-800
- 801-1000
- 1001-1500
- >1501

What can I win?

- First-place winners receive a Trex bench
- Each school receives a participation award made from Trex materials

What can be recycled?

4. Items that are not accepted include...
